The following list is not intended to be a complete list of all non-prescription drug items, but is offered as a guide to assist in determining the number of drug items stocked.

Each different combination of aspirin and other drugs is a separate drug item. Suntan lotions, shaving creams, lotions, etc., will not be considered drug items unless they make medical claims and/or are marked as medicated. Foot supplies i.e., corn and callous pads, removers, etc., count as one item. First aid supplies i.e., adhesive tape, gauze pads, strips, bandages, etc., count as one item.
